

# Kadarius Clemons

<https://kadarius-portfolio.netlify.app/> 213-610-9803 clemonskadarius@gmail.com

Motivated and eager-to-learn individual seeking a software development position. Recently completed a comprehensive coding program and gained foundational knowledge in programming languages such as JavaScript, Python, and HTML/CSS. Passionate about problem-solving and continuously improving technical skills. Looking for an opportunity to apply my acquired coding skills, collaborate with experienced developers, and contribute to innovative projects while growing in a dynamic and challenging environment.

## Education

### Code Crew, Memphis – Full Stack Certification

- Attended CodeCrew's intensive coding bootcamp, specializing in full-stack engineering.
- Acquired comprehensive skills in full-stack development, covering both front-end and back-end technologies.
- Successfully executed hands-on projects to reinforce and apply learned skills.

### Whitehaven High School - Diploma

## Skills

- Programming Languages: Python, JavaScript (Node.js, React), HTML/CSS, SQL
- Version Control: Git, GitHub
- Web Development: Frontend (HTML, CSS, JavaScript, React), Backend (Node.js, Express), RESTful APIs
- Database Management: MySQL, PostgreSQL, MongoDB
- Frameworks: React, Bootstrap, Flask, Express
- Problem Solving: Algorithm design, data structures
- Testing: Unit testing, integration testing, debugging
- Deployment: Heroku, Netlify, AWS (basic)
- Agile Development: Scrum, Kanba
- Responsive Design: Mobile-first web development, media queries

## Projects

### Personal Portfolio Website

Skills: HTML, CSS, JavaScript, Responsive Design, Git/GitHub, Deployment (Netlify/Heroku)

- Designed and built a responsive portfolio website to showcase coding projects, resume, and personal information.
- Used modern web design techniques to ensure compatibility across devices.

### Weather App

Skills: JavaScript, APIs (OpenWeatherMap), HTML, CSS

- Built a web application to fetch real-time weather data using OpenWeatherMap API.
- Implemented dynamic rendering of data (current weather, forecast) based on user input (city search).
- Designed the app with a focus on UX/UI to display weather information in a clean and user-friendly way.

## Task Management App

Skills: JavaScript, Node.js, Express, MongoDB, RESTful APIs, CRUD Operations

- Developed a full-stack task management application allowing users to create, update, delete, and view tasks.
- Built the backend with Node.js and Express and connected to MongoDB to store user data.
- Implemented authentication and authorization with JWT tokens for secure user sessions.

## Work Experience

Night Auditor, Hampton Inn

August 2019 - Present

- **Customer Service:** Communicated clearly and professionally with diverse customers, ensuring satisfaction and resolving conflicts.
- **Team Collaboration:** Worked effectively in high-pressure environments with team members to provide excellent service.
- **Time Management:** Managed multiple tasks simultaneously, prioritizing effectively in fast-paced environments.

Teller, Independent Bank

September 2023 - August 2024

- **Attention to Detail:** Accurately managed financial transactions and customer requests in a desk role.
- **Problem Solving:** Thought quickly in resolving issues related to customer complaints, technical problems, and logistical challenges.
- **Adaptability:** Thrived in dynamic environments requiring flexibility, quick learning, and immediate application of new skills.

Waiter / Bartender

June 2013 - April 2019

- **Multitasking:** Balanced different duties simultaneously, such as bartending while providing excellent service.
- **Conflict Resolution:** Mediated customer issues with patience and professionalism, ensuring positive outcomes.

## Other Experience

**Leader, The Collective Blueprint**

**January 2025 - Present**

- Actively engage and collaborate with fellow participants in development activities, business seminars, workshops, and group and individual reflections to enhance career readiness skills.
- Demonstrate a strong commitment to self-improvement and the pursuit of excellence in all aspects of the program.
